

For highest security - weather protected

83WP & 83WPCS

Service Kit

Operation and use

- To secure valuables / goods of greater value or at a high risk of theft
- To secure gratings, doors, gates, cupboards, tool boxes, cellar windows, sheds, switchboards, barriers, etc.

Technology and features

- Shackle and body made from hardened alloy steel, double bolted
- NANO PROTECT™ - steel shackle with new sophisticated plating for extreme corrosion resistance
- High precision pin tumbler cylinder with patented pinning window
- RK: Can be keyed into many popular security keyways
- Patented „Z-Bar“ for 2 in 1 function: converts key retaining to non-key retaining and vice versa in seconds
- Durable weather cover with drainage system
- 83WP/53: easy shackle change: shackle can be exchanged within seconds

Variants

- Sizes 53, 63 mm
- 83CS/50: Shackle guard protects against tool attacks
